

# PARLIAMENT of OWLS

MidtownLanternParade.com

## The Southern Urban Forest Owl MASK

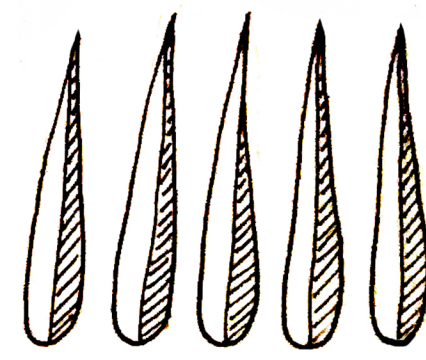

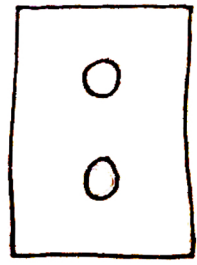

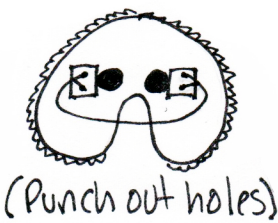

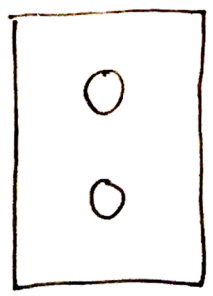

(To be illuminated with a flashlight for the parade.)

Give to the back of the beak to make it stronger

Beak →  
Curl it a little

Tie reinforcements  
Glue to the back of the mask at tie points.  
Elastic ties work best.

Extra feathers. Cut out & glue wherever you like. Their shadows look cool.
